MANGALAM VIDYA NIKETAN

# MANGALAM VIDYA NIKETAN

**B. K. Birla Group Initiative**

Affiliated to  
Council for the Indian School Certificate Examinations, New Delhi

## MOTTO OF THE SCHOOL

**“Vidya Balam Pradhanam”**

Knowledge is the Ultimate Power

## OUR FOUNDERS

Shree Basant Kumar Birla & Smt. (Dr.) Sarala Birla

"In this world, infinite –  
You are our beacon light."

## OUR HISTORY

Mangalam Vidya Niketan embarked on its journey in the pursuit of quality education in the year 2004.

Our Founders' blessings has been a constant source of motivation to prepare, persevere and preserve the legacy of a distinctive standard of education, both academically and in the overall development of all our students.

Our motto of 'Vidya Balam Pradhanam' - Knowledge is the Ultimate Power - has been the guiding force behind this commitment to excellence and we aspire to continue to do so.

An Institution par excellence, Mangalam Vidya Niketan is a formal English medium co-educational school, providing holistic education for students from the Infant level to Class XII.

---

## AIMS & OBJECTIVES

We develop the best that is latent in our children and prepare them for the challenges of the future through encouragement of self discipline, high intellectual achievement and physical fitness.

The school shall endeavour to develop responsible and thoughtful individuals who will actively participate in the changing society with strong determination and creativity.

Special attention is given to health, hygiene and cleanliness.

## LEARNING RESOURCES & INFRASTRUCTURE

The spacious, air conditioned and well maintained **Computer laboratory** provides all students an ample scope to develop their IT skills.

The airy well planned **Science laboratories** (Physics, Chemistry, Biology) inspire students to experience the wonders of scientific principles through multifarious experiments.

**Music, Dance, Art and Craft** classes enthuse students to explore and express their artistic and creative talents.

The aesthetically designed **Auditorium** with best quality acoustics provides the right ambience for our budding stars to showcase their talents.

Our literary enriched & spacious **Library** is a treasure house of knowledge, with a huge number of books, periodicals, newspapers, and a multimedia corner with CDs/DVDs etc.

# CURRICULUM & CLASSROOMS

Mangalam Vidya Niketan's dynamic curriculum provides the best course of study for its students.

In the **Pre Primary** level, focus is laid on the development of basic language and numeracy skills through fun filled activities, musical rhymes, art and craft work.

The curriculum in the **Primary** level, which comprises of subjects like English, Hindi/Bengali, Mathematics, General Science and Social Studies, emphasizes on the strengthening of the core skills like communication & numeracy through various hands-on activities.

In the **Middle school**, the introduction of the Science subjects (Physics, Chemistry, Biology) along with the Humanities subjects (History & Geography) help the students to explore the scientific laws, study the human civilization and understand the salient features of our planet Earth. Physical Education, Gymnastics, Karate, Yoga, as an integral part of the curriculum, encourage students to develop a healthy mind in a healthy body.

**Secondary/ Senior Secondary** curriculum offers a wide range of optional subjects related to Science, Commerce and Humanities streams.

A highly qualified and experienced team of teachers guide the students to realize their potential to achieve their goals.

At MVN, we truly believe that the environment plays a crucial role in your child's development, & so our classrooms are designed as interactive learning spaces.

Thematic art & furniture help to set the mood for joyful learning & interactive learning installations encourage the process of learning by doing.

## GAMES & CO-CURRICULAR ACTIVITIES

Mangalam Vidya Niketan has an active co-curricular regime for students. Games form an integral part of the schools' curriculum. Students play both indoor and outdoor games. The lush green Children's Park provides ample space for the children to play and enjoy the outdoor activities.

House system fosters the spirit of team work and healthy competition. The four houses are **AUSTEN**, **SAROJINI**, **SHAKESPEARE** and **TAGORE**.

The plethora of club activities provide the students sufficient opportunities to learn the skills of effective communication, intelligent debating, strategic entrepreneurship and hone other skills through sports, art and craft, music and dance and culinary activities,

#### **Our array of Clubs**

Creative Cuisine | Artfully Artistic | Social Optimist | Math-e-magic | Twirling Toes | Literary Clubs | Sunny Scientists | Digital Wizard | Cam Chronicles | Music Muse | Fit N Fine

#### **Field Trips**

Field trips augment the process of hands-on learning and these experiences enhance the skills of learning beyond the classrooms. The school organises frequent culturally enriching educational trips for all the students.

#### **Inter School Events**

Participation in Intra school and Inter school activities develop the spirit of healthy competition and the determination to excel.

## TEACHER EMPOWERMENT

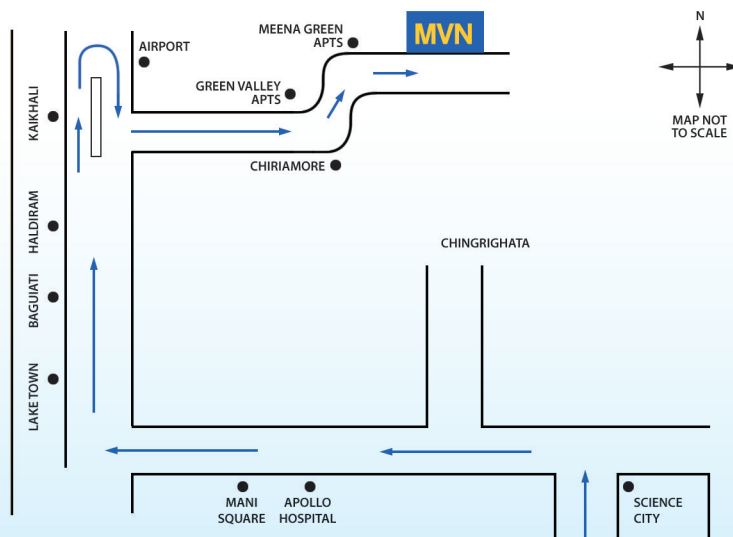

Continuous upgradation of professional skills of staff members is an integral component of every progressive institution. Teachers of MVN attend in-service workshops conducted by the CISCE and other eminent resource persons to upgrade their essential competencies in handling the ever growing challenges in the classrooms.

## PARENTS AS PARTNERS

MVN believes that the teachers and the parents jointly play a critical role in the academic progress of the children and an effective partnership between them leads to students' improved learning outcomes. Parents' orientation programs at the beginning of each year, Open forums, Parents' workshops and their participation in the school activities strengthen the bond of collaboration with the school.
